*The High Performance Board: Principles of Nonprofit Organization Governance* by Dennis Pointer and James Orlikoff (San Francisco, CA: Jossey-Bass Publishers, 2002); 186 pages.

This book is designed for (non-healthcare) nonprofit healthcare organization boards; examples, to cite only a few, include: non-governmental organizations (NGOs), professional and trade associations, colleges/universities/schools, philanthropies and foundations, community groups, churches, cooperatives, public/mutual benefit organizations, symphonies, museums ... from very small (whose annual budgets are only several hundred thousand dollars) to huge (with assets in the billions).

### Table of Contents:

Preface
